

# BONGEKILE MODUTWANE

Junior Financial Accountant | Aspiring SAIPA Professional

Johannesburg, South Africa | 068 029 7058 | bmodutwane@outlook.com

## PROFESSIONAL SUMMARY

Junior Financial Accountant with hands-on experience across five finance functions gained through a two-year rotational graduate programme at Harmony Gold Mining Company. Skilled in management accounting, cost accounting, taxation, internal audit (SOX) compliance, and regulatory reporting. Adaptable and fast-learning, having mastered five distinct departments' systems and processes within two years. Currently completing an Advanced Diploma in Accounting Sciences (NQF Level 7) through UNISA and working toward SAIPA professional accreditation.

## SKILLS

| Technical Skills                                                                                                                                                                                                                                                                                                        | Soft Skills                                                                                                                                                                                                                                                                                                                  |
